

Slack announcements of the Security Handbook (policy set) to all staff

doc id	RECORD-SLACK-ISMS-ANNOUNCEMENTS
version	export 2026-09-08
status	record
owner	Olaf Jacobson

Exported from the Soon Slack workspace by search on 2026-09-08 (query: `isms.soon.works`). The Security Handbook at `isms.soon.works` is where every policy lives; these are the messages that announced it to the whole team.

1. #general — 2026-08-19 14:37 BST — Olaf Jacobson

`isms.soon.works` < check it out

Audience: the whole company (`#general`).

2. #security — 2026-08-24 14:22 BST — Olaf Jacobson (@channel)

[Loom walkthrough: loom.com/share/a5b2f5e8f1f748d3bec4bc23e6bc7815]

@channel `isms.soon.works/soc2/tasks` · `isms.soon.works/soc2/controls`

I think straightforward, have a look and let me know. Feel free to start uploading screenshots

Audience: everyone in `#security`, via @channel, with a recorded video walkthrough.

3. #stand-ups — 2026-08-31 07:52 BST — Thomas Picauly

Today: ... `isms.soon.works` ...

Shows a second founder picking the handbook up as day-to-day work.
